

### ONLINE ORDERING

One-stop-shop for all your facility supply needs with a touch of a button!

Our sales representatives and customers have the ability to buy and sell using any electronic device anywhere, at any time, with our custom ordering app. Add products on the spot with our exclusive camera feature and bar coding capability.

### LOCAL DAILY DELIVERY

Our local distribution program is an extension of our focused customer relationships. Standard dock delivery is timely and flexible to accommodate each customers' specific needs and is supported by fast and friendly service technicians.

### REGIONAL WAREHOUSES

Our comprehensive stocking program utilizes two convenient regional warehouses located in Northeast Ohio. We also offer WILL CALL service for emergency orders.

### NATIONAL DISTRIBUTION CONTRACTS

Logix accommodates national business through our association with **Reliable Redistribution** - a network of 60 distribution centers across North America.
